Cleaning

Numerous fine, valuable

rugs have been ruined and

turned to rags by letting

them go, year after year, by

just having dust beaten out

of them, and nothing at all

done about having the dirt

absorbed in the fine wool

washed out. The varnish,

wax, or oil used on the floor

sipped by the rug, in course

of time naturally rots it. You

can no more expect a rug to

last a lifetime if such harm-

ful objects are allowed to eat

it up, than you can expect to

have your hair retain its

health, gloss and beauty a

lifetime without having it

shampooed. Our specially
